ALTERNATIVE SCHOOLS

An alternative school is a school that doesn't provide the typical educational experience. Another way to think of an alternative school is that it is designed to educate students who haven't been successful in regular schools, often due to behavioral issues or learning disabilities.

CHARTER SCHOOLS

Charter schools are different than both public and private schools. In Texas, charter schools are public schools open to any student, and these schools may not charge tuition, according to the Texas Education Agency. These schools do receive state funds based on their average daily attendance of students, and they may also accept donations from private or public sources, according to the TEA. Charter schools also administer the State of Texas Assessments of Academic Readiness, or STAAR, test.
